

Once your account has been activated for our enhanced security, you will be required to step through the following process. The following screens are samples of the data and questions that you will be asked to answer.

There are four separate links that you will need to click on and they will take you to the following screens:

- Email Address
- Phone Number
- ID Questions
- Review and Confirm Settings

Below is the screen where you will be asked to enter your email addresses. We will need this information in order to contact you about your account and also to send you your pin number to register your device. There is a place for your primary work and also a secondary email address. As noted on the screen, the primary email address is required.

Below is the screen where you will be asked to enter your phone numbers. We will need this information in order to contact you about your account. There are spaces for your primary work number along with a mobile phone and one additional phone. Please do not use dashes or slashes when entering this data. As noted on the screen, the primary phone number is required.

My Account

Edit Phone Numbers

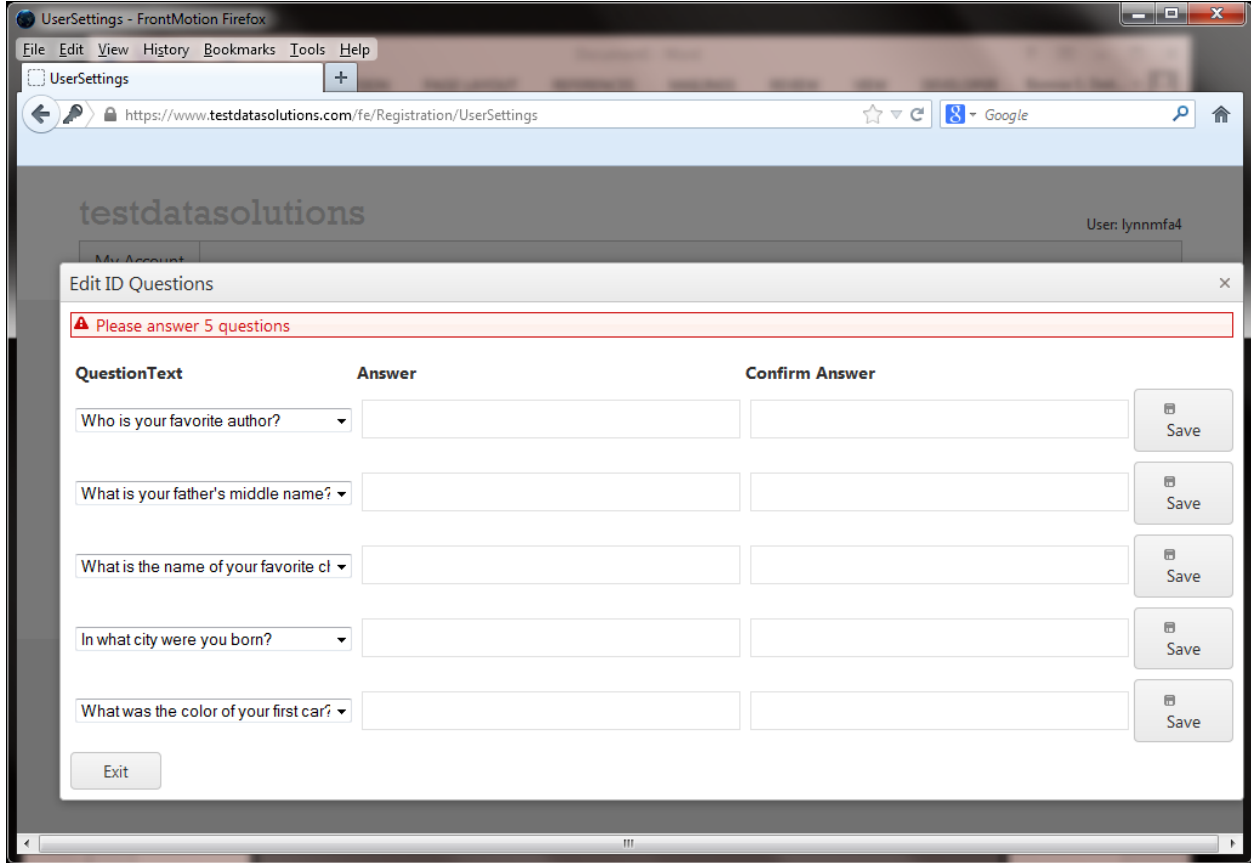

Primary phone is required.

Your phone numbers

	Enter Your Phone Number - digits only			Confirm Your Phone Number - digits only		
Primary	Area Code	Phone	1-6 digit ext	Area Code	Phone	1-6 digit ext
Mobile	Area Code	Phone	1-6 digit ext	Area Code	Phone	1-6 digit ext
Other	Area Code	Phone	1-6 digit ext	Area Code	Phone	1-6 digit ext

Save Exit

Below is the screen where you will be asked to answer five ID questions. There are several choices of questions that you can pick from but you must answer five of them.

Once you have completed filling in your information and answering the ID questions you will then be asked to confirm the data that you have entered. It is imperative that you double check your data and make sure what you have entered is correct. The final step in this section is to click the check box and finalize your settings.

You will know that you have finished when your status for all four sections says “Complete”.

The screenshot shows a Firefox browser window titled "UserSettings - FrontMotion Firefox". The address bar displays "https://www.testdatasolutions.com/fe/Registration/UserSettings". The page header includes the logo "testdatasolutions" and the user name "User: MFABONNIE". A navigation menu contains "Pull Reports", "Review Reports", "My Account", "My Users", and "Log Out".

Your account has been activated for enhanced security. In order to continue your access to this site, please complete each of the sections below.

Click on each section to enter your information.

Email Address	Used for registering devices/computers with your account.	Complete
Phone Numbers	Phone number(s) used to contact you concerning your account.	Complete
ID Questions	Additional confirmation of your identity.	Complete
Review and Confirm Settings	Please review and confirm your settings to complete the process.	Complete

The next step in the process is registering your device with us. You can name your device under the “Friendly Name” field. Something such as “work” or your office location or department would be appropriate. There is also a drop down box for the type of device you are using. The choices are:

- Temporary – (use this choice if this is a public device/computer)
- Office
- Home
- Mobile
- Other

You’ll notice that under the email address section, we are using the email address/addresses you entered in the first portion of this process.

Unregistered Device

This device is not registered with your account. Complete the two sections below to continue.

Setup your Device/Computer

Friendly Name	Type
<input type="text"/>	Temporary

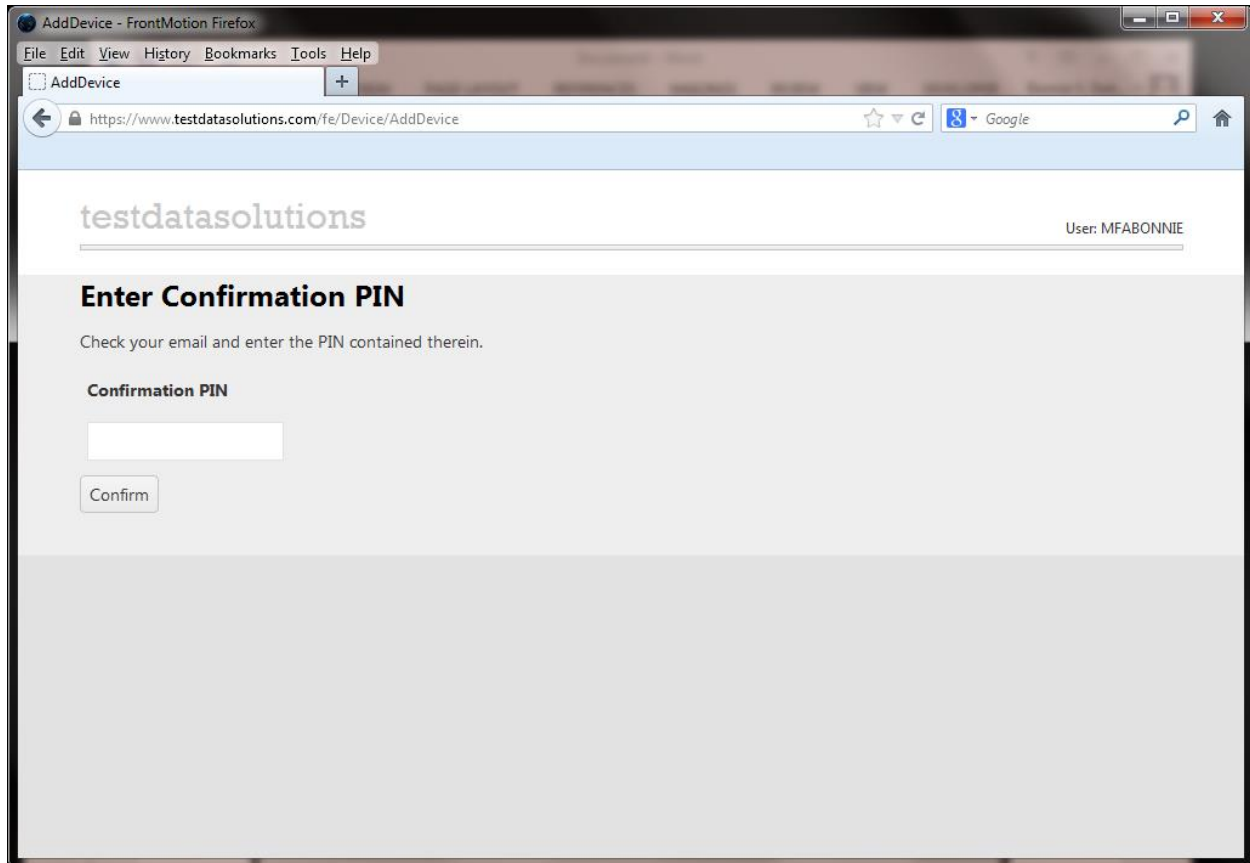

****select temporary if this is a public device/computer****

Where should we send your confirmation email?

Emails	Address	Use this email
Primary	bonnie@hartsoftware.com	<input checked="" type="radio"/>

Continue

A confirmation PIN will be emailed to the email address you chose. The email will come from noreply@creditsystem.com. Copy and paste the PIN into the screen below and the process will be completed. You will now be able to proceed to your Pull Reports Screen.

The screenshot shows a web browser window titled "AddDevice - FrontMotion Firefox". The address bar displays "https://www.testdatasolutions.com/fe/Device/AddDevice". The page header includes the logo "testdatasolutions" and the user name "User: MFABONNIE". The main content area is titled "Enter Confirmation PIN" and contains the following text: "Check your email and enter the PIN contained therein." Below this is a label "Confirmation PIN" followed by a text input field. At the bottom of the form is a "Confirm" button.

Enter Confirmation PIN

Check your email and enter the PIN contained therein.

Confirmation PIN

Confirm

Your Pull Reports screen should appear as it did before but you will notice that you now have a new selection on your tool bar of My Account. This will take you back to the completed screen for the email, phone and ID questions. You will be able to edit this information in the event of a new phone number or change of email address. It is important that you maintain updated data in the event that we need to contact you. Thank you.
